

# With my Own Two Hands

Listen to the song, the lyrics of are slide #2.

[Ben Harper - With My Own Two Hands](#)

## Lyrics

I can change the world, with my own two hands  
Make a better place, with my own two hands  
Make a kinder place, oh with my, oh with my own two hands  
With my own, with my own two hands  
With my own, with my own two hands  
I can make peace on earth, with my own two hands  
And I can clean up the earth, oh with my own two hands  
And I can reach out to you, with my own two hands  
With my own, with my own two hands  
Oh, with my own, oh with my own two hands  
I'm gonna make it a brighter place, (With my own)  
I'm gonna make it a safer place, (With my own)  
I'm gonna help the human race, (With my own)  
(With my own two hands)  
Now I can hold you, in my own two hands  
And I can comfort you, with my own two hands  
But you got to use, use your own two hands  
Use your own, use your own two hands  
Use your own two hands  
And with our own two hands  
With our, with our, with our own two hands  
With my own, with my own two hands  
I'm gonna make it a brighter place, (With my own)  
I'm gonna make it a safer place, (With my own)  
I'm gonna help the human race, (With my own)  
Oh, make it a brighter place (With my own)  
I can hold you (With my own)

And I can comfort you (With my own)  
But you got, you got, you got, you got, you got, you got, you got to use  
Oh, use your own  
Oh, use your own, Lord  
But you got, you got, you got, you got, you got to use, use  
Use your own, use your own, use your own, use your own, use your own,  
Use your own, use your own, use your own, use your own,  
Use your own

1. What does this song mean to you?
2. What does it mean to change the world?
3. Do you truly believe that individuals such as yourself can have that kind of impact? Why or Why not?
4. Brainstorm as many changes that you think the world needs right now.
5. How, if possible, they you impact change in any of those areas?
6. What tools do you possess that you could use to change things?
7. What changed things in Ghosts world? Why does it make a difference?
8. Why is it so important to understand each other when it comes to changing the world and making it a better place?

# Protest Song: Song

This is a humorous take on how folk songs of the 60's talked a lot about all the problems of the world and claimed to have easy answers if people would only listen to them, but in reality offered very little in the way of solutions.

Do you think that it is difficult to change the world? Do you think that is something that will change quickly?
