6<sup>th</sup> grade Book Review Presentation Choices

Choose a different box for each book that you read. Once you use a box, you may not use the same box again.

<p>1. Make an ID card which belongs to one of the characters. Be sure to make the card look like the cards for that particular state. Include a picture and all information found on an ID card. Don't forget the signature!! On the back of the ID make sure you explain how the book related to Health or PE.</p>	<p>2. Draw a picture of any character in your book and write 10 facts that the reader learns about him or her. 4 of the facts have to show traits that relate to Health or PE and you have to explain how they relate.</p>	<p>3. Make a poster advertising your book so someone else will want to read it. Include a brief summary of the book on the poster. Make sure you are including topics that the book or character faces that relate to Health or PE on the poster.</p>
<p>4. Write a different ending for your story. The ending must include a topic discussed in Health or PE.</p>	<p>5. Do a collage/poster showing pictures (minimum of 10) that related to the book, and then write a sentence or two beside each one to show its significance. 3 of the items must show how the book relates to a Health or PE.</p>	<p>6. Write a postcard from one character in your book to another about an event that happened in the story. Decorate the front of the postcard with the art that represents the character of your postcard and how they relate to a topic in Health/PE.</p>
