8th Grade Vocabulary Activity

1. Chose 15 of your vocabulary words to create a playlist to help you remember the meaning of the word.
    a. Working in groups of 3-4 pick 15 of the words that you have defined and pick a song that helps you remember the word. (you can not use the same song more than once)
    b. The song should be appropriate (NO CURSE WORDS or INAPPROPRIATE LYRICS)
        i. This does not give you permission to look up inappropriate songs. ***Make sure the song is appropriate!!!!!!!!!***
    c. Explain why you chose the song to help you remember the word.
    d. You can not use the same song more than once
2. Using all of your words you have to create 6 categories that you think the words could fit into.
    a. All of the words have to placed in a category.
    b. You do not have to redefine the words, just write the category in columns and place the words in the columns that they would fit into. You may do this in groups of 3-4 also.
3. Please turn in your work at the end of class.

Word	Name of Song	Sentence explaining why you picked the song to represent the word.
Self Confidence	Me Too! Meghan Trainor	I chose “Me Too!” to represent self confidence because the song makes me think about all the positive attributes that people have and should focus on instead of the negative.
